

PLAYLIST

For the music, I was especially thinking of you the parents on this one!

It goes without saying that the success of this day is all down to you, and as a small reward to you here is a playlist I offer as a gift, to give you the courage to get everything ready!

It is available on all listening platforms and accessible with the QR code (go to your smartphone camera and it should detect it automatically), otherwise go to this address:

Select your listening platform and start the music!
