

Coconut shy decoration

Cut and stick the labels onto the washed tin cans with glue.
Repeat this to get 10 cans.

Activities for children

CIRCUUS

Materials :

- tin cans
- 1 pair of scissors
- printed coconut shy
- glue or masking tape
- 1 foam ball

Steps for straw flags

- collect tin cans and clean them by rinsing them in hot water to easily peel the label off.
- cut out several of the printable "circus" labels

- tick the labels around the cans with masking tape
- repeat this several times and then stack them

Now it's time for the kids to play. All they have to do is to throw the foam ball and knock down as many tin cans as possible to win the game!
